- **OUTSTANDING GRIP**
- **RESPONSIVE HANDLING**
- **HIGH SPEED STABILITY**
- **QUIET RIDE**

## BORN IN THE “GREEN HELL” OF NÜRBURGRING

The ADVAN Sport V107 has been developed at the world’s most challenging race tracks and designed for ultimate luxury. With maximum grip in both wet and dry conditions, a quiet ride and long tread life, this is a global prestige sport tire you can trust to do it all. This ultra-high performance tire is in a class all its own.

### CONTOUR PROFILE

Rayon and Polyamide cap plies create an improved cross-sectional shape which provides even pressure on the road surface for enhanced cornering and stability.

### ADVANCED TREAD PATTERN

Solid center ribs provide constant contact to the road surface for enhanced steering and cornering response.

### SILENT SIPE TECHNOLOGY

Uniquely shaped sipes located along inner ribs reduce external vehicle noise.

### MATRIX BODY PLY STRUCTURE

Improves steering performance on dry roads by efficiently transferring power to the road surface.

### NEW ULTRA-MICROSILICA COMPOUND

Improves grip for cornering and braking on both wet and dry roads.
