GEOLANDAR CV4S

LONG-LASTING ALL-WEATHER PERFORMANCE

Introducing the all-new GEOLANDAR CV 4S. Our first premium all-weather CUV and SUV tire with a severe snow service rating (3PMSF) for outstanding snow and ice braking capabilities. With a size-range that covers the most popular CUV/SUV and minivan fitments in the market, this GEOLANDAR family expansion makes Yokohama the go-to brand in the category.

ASYMMETRIC TREAD PATTERN

Creates excellent wet and snow traction while maintaining dry road performance.

ZIG-ZAG GROOVES

Help resist hydroplaning by efficiently evacuating large volumes of water.

NEW COMPOUND TECHNOLOGY

With a new polymer blend and improved micro silica dispersion enhances rolling resistance and provides long-lasting wear.

DISTINCTIVE TREAD PATTERN

And advanced construction reduce road noise regardless of the weather conditions.
